Lodging Information

Accommodations are plentiful and varied on the island. From condos and townhomes to hotels and campgrounds, there is something for everyone. Please check out the Jekyll Island Resort Club as well as the Westin Hotel. Vrbo.com and Airbnb.com are also excellent resources for vacation homes if you want to experience living on the island as a resident.

What's Not Included

Airfare, island access fees, lodging, meals or drinks, taxes, passport fees, personal expenses such as airport transfers to and from hotel, rental car expense, parking fees, optional sightseeing excursions, laundry, valet services and/or telephone calls.

Costs incurred due to accident and sickness before, during or after the trip, trip cancellation, luggage loss, replacement and/or insurance are the responsibility of the participant.

Travel Insurance

Travel insurance is **strongly recommended** in case of weather delays, inclement weather (like a hurricane), accident, illness, injury, family emergencies, trip cancellations and/or airline disruptions. ImaginaryTrips.com, LLC reserves the right to cancel the tour at any time.

Hurricanes

Hurricane season ends November 30th and it is not usual for the US to experience at least one major storm in October. Should a storm force the cancellation of the workshop, the workshop fees minus any class-related expenses, tour or event tickets that have been purchased will be refunded. This is why **Travel Insurance** is a great idea and strongly recommended!

Final Itinerary

The itinerary will be finalized and sent out in September.
